

Environment Declaration

Product Type: AS-MCP2-IP24

AS-MCP2-IP67

Product weight:**115 grams****280 grams**

Cover and Body Plastic material – PC

Internal Plastic material – PC

Populated Printed Circuit board Material – FR4, PCB Leaded HASL finish. Components RoHS Compliant.

Fasteners (Screws & Washers etc.) – Nickel plated Brass or Bright Zinc plated Steel.

Environmental impact during manufacturing:

The printed circuit board is conformal coated. Environmentally harmful hydrocarbons may be released.

There are no harmful chemicals used elsewhere in manufacturing.

There is no documented information on energy consumption for the manufacturing process.

Environmental impact during operation:

There are no known environmental effects of the product in use.

Recommended handling of the product at end-of-life:

The product shall be disposed of in accordance with European WEEE 2002/96/EC directive, for Waste Electrical & Electronic Equipment. The product is marked with the “Wheelie Bin” logo to indicate this requirement.

Most recycling facilities have a collection point for “WEEE” waste.

Industrial waste management companies will handle large quantities.

Nittan Europe Ltd's WEEE Registration number is WEE/BJ1417VX.
